Senior Reserve (Closed grade)					
<p>For 2008 there will be no grading day. Clubs will need to take responsibility for putting each of their teams in the correct grade and range of sections for the first 7 rounds of all the grades. Please try to be as accurate as possible.</p> <p><i>Top 2 sections (enter as 1) – very good team which has the chance of winning the championship grade. The majority of players have been in a successful team in other grades in 2007.</i></p> <p><i>Middle sections enter as 2) - a good average team which may have a mixture of abilities within the team. Could be championship or plate contenders. It is thought that these entries will be high. Please be as specific as you can about their abilities. Use a separate sheet if necessary.</i></p> <p><i>Bottom 2 sections (enter as 3) – is mostly a social team with skills that need work. Would be playing for the plate of the grade.</i></p>					
Please add 1, 2 or 3 in brackets after each team letter to indicate the range of sections you think the team should be placed in.		Team Letter/s	Your grading/s	Team letter/s	Your grading/s
