

Strategic Plan 2012—2015

Vision Statement

The Christchurch Netball Centre is a leader in netball, continually expanding the game by incorporating innovation and expertise.

Mission Statement

The Christchurch Netball Centre is committed to fostering participation and success in netball by providing high quality netball opportunities in a positive competitive environment and contributing proactively to our netball community.

Our People

To offer well organised social and competitive opportunities for all members by:

- Ensuring high quality people through strong management and quality education and training opportunities
- Effectively recruiting, retaining and recognising staff and volunteers
- Consistently celebrating success and recognising and rewarding excellence

Participation/Promotion

Increase total membership through:

- Development of a marketing plan to effectively promote the game of netball
- Creating a positive awareness of netball within the community
- Providing quality competitions and introducing innovative new programmes

Our Facilities

To provide quality facilities to meet the recreational and competitive needs now and into the future through:

- Effective management, maintenance and upgrading of existing facilities
- Future proofing the viability of the netball centre building
- Partnering in the development of a new indoor facility in Christchurch

The Business

To manage a quality business and ensure financial viability by:

- Following best practice in governance, leadership, risk management and development of policies and procedures
- Ensuring finances are managed in a competent, transparent and accountable manner
- Identify, plan and secure funding for operational and capital needs for the next 5 - 10 years.

Values

Excellence:	be the best by seeking continuous improvement
Innovation:	be a leader and initiate change
Integrity:	openness and honesty
Enjoyment:	have fun along the way
