What's it about:

Canterbury Netball's Summer Camp provides an opportunity for young players to come together and attend a live-in netball camp (all food and accommodation provided on campus at Canterbury University) where they can develop and grow both in a netball and personal sense.

Position-specific as well as general skills sessions will be provided throughout the camp – these will be delivered by selected coaches from across the region. Specially invited guest coaches will also be available to pass on their knowledge and experience to all. Game Play will be scheduled into the programme, so that players can put new ideas and tactics into practice. Cross-training activities will also be provided

Players will be grouped by general age and ability, as per information received on the registration form attached.

The main emphasis of Summer Camp is ENJOYMENT, PARTICIPATION and an opportunity to LEARN.

REGISTRATIONS CLOSE NOVEMBER 19 Payment must be received with registration forms to secure a place. ONLY 110 PLACES AVAILABLE - FIRST-IN, FIRST SERVED. Late registrations will only be accepted if there is space available.
